

Winter Coat / Accessories Donation Campaign

Goal: Farmers Insurance Agent Sean Murphy, Alan B. Shepard High School and CHSD 218 come together in an effort to provide those who are less fortunate with winter clothing necessities.

What We Are Looking For: Coats, Hats, Gloves and Scarves. We are encouraging people to donate their clean and gently worn winter outerwear that they no longer use or no longer fits; however, items can be brand new.

Where Will These Items Be Donated: We will donate these items to local organizations including area churches and homeless organizations / shelters.

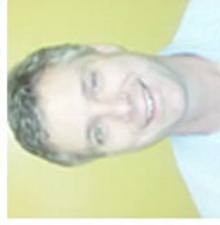

Where Can Donations Be Left? Donations can be dropped off at Farmers Insurance Agent Sean Murphy's office, Alan B. Shepard High School, the CHSD 218 district office or at the Worth Village Hall.

How Long Will This Run For: This donation initiative will run through December 10. We will pickup all receptacles for the last time on Monday, December 11 by 5 p.m.

Any Questions? Call Sean Murphy at 708.361.9430
