Friendly E-Z Pay Application

The Village of Worth offers Friendly E-Z Pay, a free program that makes paying water bills easy and convenient. This program allows water customers to make payments automatically by electronic transfer directly to the Village. Payments are deducted from a designated checking or saving account on the due date of the bill unless the bill has already been paid in full 7 days prior to the due date. To take advantage of this convenient service, simply complete the authorization form below and return to the village hall with a voided check from the account from which the payments will be made.
